For the harvest.

Missionaries to the Philippines

OUR FAMILY

Saved by grace. Sent in faith.

We are the Gammad family from Elgin, Illinois. God saved us by His grace and has led us to surrender our lives to serve Him full-time as missionaries to the Philippines.

Our burden is for people to hear the true Gospel, grow as faithful disciples of Christ, and become part of independent, fundamental, and Bible-believing Baptist churches.

OUR FOUNDATION

Jesus Christ alone saves, and God's Word is the final authority for faith and life.

THE GAMMAD FAMILY

"The harvest truly is plenteous, but the labourers are few."

MATTHEW 9:37–38

PERSONAL TESTIMONY

Rommel’s salvation testimony

I grew up in a Catholic family. At a young age, I simply followed the religion of my parents. I served as an altar boy and was active in the Catholic youth group. I even participated in religious ceremonies, including carrying a cross in an Easter procession, believing that these religious activities could somehow help me get to heaven.

My eldest sister was the first in our family to be saved. I attended Baptist church services and heard the Gospel while I was in high school, but I never truly understood what it meant to be saved.

During college and the years that followed, I developed sinful habits and a worldly lifestyle, but after losing my father, God began to soften my heart and draw me to Himself.

One day, God used a daily devotional about salvation to show me my true spiritual condition. I realized that I was a sinner and that my religion, good works, and religious activities could never save me. I needed Jesus Christ.

In 2004, one morning while sitting at my desk in the office, I bowed my head and asked God to save me. I placed my faith in Jesus Christ and trusted Him alone for my salvation.

Not long afterward, I brought my mother and siblings to Alpha Baptist Church. God continued to work in their hearts, and eventually every one of them was saved. Our family was baptized together.

> “For by grace are ye saved through faith; and that not of yourselves; it is the gift of God.”
> EPHESIANS 2:8

PERSONAL TESTIMONY

Shiela’s salvation testimony

I am thankful for a coworker who eventually became a good friend of mine. She faithfully invited me to church many times, but because I grew up in a Catholic background, I always found reasons not to go.

One day, she invited me to attend a youth camp. As a young lady who loved the outdoors, I was finally convinced to go.

I still remember the preaching at that camp. The message was about hell, and it caused me to seriously consider where I would spend eternity. During an invitation at that youth camp, a lady sat down with me and showed me from the Bible how I could be saved. In June of 1998, I accepted Jesus Christ as my personal Saviour.

Although I had trusted Christ, I did not immediately grow in my faith. Then, on November 28, 2004, God helped me gain assurance of my salvation. I followed the Lord in baptism and began faithfully attending a Bible-believing Baptist church, where I started growing in my relationship with the Lord.

I am especially thankful that God used the persistence and faithfulness of a friend who never stopped inviting me to church.

A faithful invitation can change a life.

GOD’S CALL ON OUR LIVES

Every step prepared the way forward.

A TIMELINE OF GOD’S PREPARATION

In 2005, I enrolled in Bible college but was unable to finish my first semester when God opened the door for me to move to the United States. In 2006, Shiela and I got married. For the next thirteen years, we were members of a Baptist church in Schaumburg, Illinois, where I taught a Filipino Sunday School class and served as a deacon.

In 2019, my family and I began attending Northwest Bible Baptist Church. In the following year, while attending the Providence Baptist College graduation, God renewed my burden for ministry. When Dr. Keith Gomez said, “There is something about finishing what you started,” those words deeply convicted me.

Over the next few years, God continued preparing my heart. We faithfully participated in soul winning, discipleship, and other ministries in our church. Through missions conferences, conversations with missionaries, and summer trips to the Philippines, my desire for ministry became stronger.

With my pastor’s encouragement and God’s provision, I enrolled in Providence Baptist College in January 2025 to pursue a Master’s degree in Biblical Studies. I began teaching a Tagalog Sunday School class and preaching regularly in our nursing home ministry.

As I balanced work, school, family, and ministry, I began earnestly praying that God would clearly show me His will concerning full-time ministry.

For twenty-five years, I had built a good career and enjoyed financial security. In January 2026, God brought the story of Abraham in Genesis 12 to my heart. I came to realize that following God’s will would require me to trust Him beyond what was comfortable and secure.

That same month, my company announced a departmental restructuring. Because I had already expressed my desire to leave and pursue missions, I volunteered to be included in the workforce reduction. I had a deep sense of peace, knowing that God had answered my prayer and opened the door for me to follow His will. On January 21, 2026, my family and I surrendered to full-time missions.

THE FIELD BEFORE US

Why the Philippines?

In the summers of 2024 and 2025, our family visited the Philippines. During those trips, I had opportunities to share the Gospel with old friends and acquaintances, factory workers, police officers, hospital workers, and many others. I witnessed God working in hearts and saw a genuine hunger among Filipinos for the truth of His Word. God used these experiences to open my eyes to the great need for laborers and renewed my desire to serve Him full-time.

The Philippines is home to more than 117 million people. It is a deeply religious nation, yet many are deeply rooted in a false gospel of works-based salvation rather than faith in Jesus Christ alone.

According to the 2020 Census, 78.8 percent identified as Roman Catholic, 6.4 percent as Muslim, 4.8% as Evangelical, and 2.6% as Iglesia ni Cristo, while Bible Baptist Church accounted for only 0.5%. There are millions of people who still need to hear the Gospel.

God has used faithful American missionaries and raised up many Filipino Baptist preachers and missionaries. We believe there remains a tremendous need for independent, fundamental Baptist churches that faithfully proclaim the Gospel, stand firmly on the authority of Scripture, actively engage in soul winning, and carry out the Great Commission.

STATEMENT OF FAITH FOR DEPUTATION

Statement of Faith

1. God

I believe in one true and living God, the God of the Bible, the eternal Creator of the universe, who is omnipresent, omniscient, and omnipotent. He is perfect and complete in all His divine attributes, being holy, just, merciful, and gracious. There are three distinct Persons in the one Godhead—the Father, the Son, and the Holy Ghost—who are co-equal in power and possess the same divine nature.

2. Jesus Christ

I believe that Jesus Christ is the Son of God and the second Person of the Trinity. He has existed eternally as God, took upon Himself human flesh and lived a perfect life on earth. He was crucified, died on the cross, was buried, and bodily rose from the dead three days later; His death was a substitutionary sacrifice for our sins.

3. Holy Spirit

I believe that the Holy Spirit is the third Person of the Trinity and was active in Creation. He convicts men of sin and their need for salvation, bears witness to the truth of the Gospel, and works in the believer by indwelling, sealing, guiding, teaching, witnessing, sanctifying, empowering, and helping him.

4. Bible

I believe that the King James Bible (Authorized Version 1611) is the inspired, infallible, inerrant, and perfectly preserved Word of God for the English-speaking people. The Bible is the authoritative and final standard for all matters of faith and practice.

5. Creation

I believe in the literal interpretation of the creation account in Genesis, that God created the universe in six literal twenty-four-hour days, including man, who was created in the image and likeness of God.

6. Salvation

I believe that man is a sinner by nature and by choice and is deserving of God’s judgment and eternal punishment in the lake of fire. The only way of salvation is through repentance toward God and faith in the Lord Jesus Christ, who died for our sins and rose again. Salvation is the free gift of God’s grace and cannot be earned through good works, religious exercises, or human merit; a person must place his complete dependence upon Jesus Christ for salvation.

STATEMENT OF FAITH FOR DEPUTATION

Statement of Faith • continued

7. Eternal Security

I believe that every person who has truly received Jesus Christ as Saviour is eternally secure. All his sins—past, present, and future—are forgiven, and he possesses eternal life, having been made a new creature and adopted into God's family. Salvation is received by God's grace and is preserved by God's power; therefore, the believer cannot lose his salvation.

8. Baptism

I believe that baptism is an ordinance commanded by Christ for believers following salvation. It is the complete immersion of the believer in water, picturing the death, burial, and resurrection of Jesus Christ and the believer's new life in Him. Baptism is not a means of salvation but an act of obedience and a public testimony of one's faith in Christ.

9. Separation

I believe that God commands His children to separate themselves from sin, evil, and worldly influences and to live holy and pure lives in the midst of a godless generation. We should not compromise biblical truth, lower biblical standards, or blur the distinctions established by God's Word.

10. Church

I believe that a Baptist church is a called-out assembly of baptized believers organized to worship God, encourage and equip believers for Christian service, and carry out the Great Commission. I believe Christ is the Head of the church, and the pastor is His under-shepherd who is called to lead and shepherd His flock.

11. Great Commission

I believe that Jesus Christ has commissioned every believer and the local church to preach the Gospel to every creature and make disciples of all nations. I believe soul winning is the heartbeat of a church. I believe door-to-door and personal evangelism remain effective and greatly needed, and that churches should actively engage in it.

12. God's Judgment

I believe that God is both merciful and gracious and perfectly just and holy. He will judge all mankind righteously, and those who reject His offer of salvation through Jesus Christ will face everlasting punishment.
